ANIMAL SPONSORSHIP

Connecting People to
the Animals They Love

WOULD YOU LIKE TO BE A SEA OTTER'S MOM? HOW ABOUT A PRAIRIE DOG'S UNCLE? OR MAYBE EVEN A PUMA'S SISTER?

You can now be a proud family member of any of the animals at the **Minnesota Zoo**. Join our growing family by **sponsoring an animal today!**

The Zoo's Animal Sponsorship program promotes literacy and conservation education, and inspires children and adults to take action on behalf of wildlife throughout the world.

Your generosity will help provide Zoo animals with the ongoing support they need—from food and enrichment to veterinary care.

DO YOU NEED A GREAT GIFT IDEA?

Sponsor an animal for a friend or loved one. What an amazing way to acknowledge birthdays, anniversaries or graduations! An Animal Sponsorship is unique, easy and doesn't even need to be wrapped!

When you sponsor an animal at the Minnesota Zoo, your gift goes to work immediately! Your gift helps:

- Provide food for all of our animals
- Support enrichment activities
- Ensure highly-skilled medical care for all of our animals
- Create interactive and engaging educational programs for children at the Zoo and throughout the state

In addition to knowing that you have helped your favorite animal, you (or the recipient of the gift) will receive a sponsorship package to show how much the Zoo and all of its animals appreciate your generosity!
