

FRIENDS OF THE MINNESOTA ZOO

A Giving Society

The Minnesota Zoo is the largest conservation education center in the state. Not only is it recognized for amazing guest experiences enjoyed by over 1.3 million guests each year, but also for the educational programs provided to over 100,000 school-age children. The Zoo also leads with conservation initiatives that positively impact wildlife here and around the world.

The Annual Fund is a vital source of support for everything the Zoo does, including animal care and conservation and education programs. Because most gifts to the Annual Fund are unrestricted, they allow the Zoo the flexibility to direct the dollars where they are most needed and will have the greatest impact. The Annual Fund touches virtually every aspect of the Zoo.

The Zoo welcomes Annual Fund gifts of any amount, but the best way to participate in the Annual Fund is through our *Friends of the Minnesota Zoo* giving society.

Friends of the Minnesota Zoo is an exceptional group of individuals who have taken a leadership role through their annual donations to the Zoo of \$250 and higher. In return for their investment in the Zoo's conservation and education work, *Friends* are rewarded with opportunities to enjoy a variety of special benefits and privileges that deepen their commitment to wildlife and the Zoo.

We invite you to become a *Friend of the Minnesota Zoo* today!
