

**JOIN THE HERD, OR FLOCK,
OR SCHOOL, OR**

Your group can be a proud partner with the Minnesota Zoo's Animal Sponsorship Program!

The Zoo's Animal Sponsorship program promotes literacy and conservation education, inspiring children and adults to take action on behalf of wildlife throughout the world. **It's a fun and unique way for your group to make a difference!**

Animal sponsorships are a great way to commemorate a special occasion or success for your group, to thank outstanding members and retiring leaders, to teach young members about the importance of giving back to the community, or to add a community service element to a trip to the Minnesota Zoo.

When you sponsor an animal at the Minnesota Zoo, your gift goes to work immediately! Your gift helps:

- Provide food for all animals at the Zoo
- Support enrichment activities that help keep our animals physically and mentally healthy
- Ensure quality veterinary care for our animals
- Create engaging educational programs for children at the Zoo and throughout the state.

**GROUP ANIMAL
